Gun Safety Tips for Kids

Never, ever touch a gun.

Don't put your finger near the trigger or pretend to shoot a gun.

Never point a gun at someone, even to joke around.

Never show a gun to a friend.

Guns can hurt people really bad or even kill them.

If you see a gun or someone else that has one, tell an adult right away.

If there is a gun in the area, leave right away.

If your friend wants to show you a gun, say NO!

By telling your teacher, guidance counselor, or a parent when you see a gun, you could be a hero and save lives.

Remember: All guns are dangerous!!
